**Guided** by the principles and objectives of the Charter of the OAU and the UN and by the common destiny of the Arab and African peoples, as well as their continuous struggle, for their rights, freedom, peace and independence.

**Noting** with deep concern the constant deterioration of the situation in the Middle East as a result of Israel's persistent policy of aggression and refusal to abide by the United Nations resolutions together with its continued aggression on the Arab people within and outside the occupied Arab territories, and its continuous obstruction of every effort to achieve a just and durable peace, with the aim of gaining time and imposing a fait-accompli to establish aggression and occupation,

**Reaffirming** that just and permanent peace in Palestine and the Middle East can only be attained on the basis of complete Israeli withdrawal from all the occupied Arab territories and the exercise by the Palestinians of their full national rights to sovereignty, national independence and self-determination,

**Asserting that continued Israeli occupation of Arab lands by force and violation of the national rights of Palestinian people are, in themselves, a continued aggression and a serious threat to the security, the territorial integrity and the sovereignty of Arab countries and peoples,**

**Deeply concerned by the invalidity and illegitimacy of the measures taken by Israel to alter the human geographical and cultural features in the occupied Arab territories with the aim of Judaization of Jerusalem and other parts of occupied Arab territories,**

**Convinced that owing to Israel's continued violation of the principles of the UN Charter and its continued aggression against Arab countries and the Palestinian people, it is time to apply the sanctions stipulated by the Charter of the UN against Israel,**

**Further convinced of the necessity for the OAU to adopt adequate and practical measures to confront the Zionist enemy's continued aggression and violation:**

- 1. REAFFIRMS its total and effective support for the frontline states and the Palestinian people in their legitimate struggle to restore all the occupied territories and usurped rights by every possible means;**
- 2. CONDEMNS Israel's policy of aggression, expansion, and annexation of Arab territories by force, and its attempts to alter their demographic, geographic, economic and cultural features;**
- 3. CONDEMNS Israel's continued refusal to abide by the resolution of the United Nations and its deliberation, obstruction, by all means of maneuvering, of every effort exerted to establish a just and permanent peace in the area;**
- 4. FURTHER CONDEMNS the persistent policy of repression pursued by Israeli occupation authorities against Arab inhabitants in the occupied Arab territories, as well as its persistent violation of their human rights, and its violation of the 1949 Geneva Convention, in particular the fourth, concerning the protection of**

- civilian inhabitants, and its barbaric attacks and raids of refugee camps and bombardment of civilians targets in the towns and villages of Southern Lebanon in violation of all principles of international and human laws;**
- 5. STRONGLY CONDEMNNS the attitude of the States supplying Israel with assistance, arms and means of killing and destruction, and holds that the real purpose underlying the flooding of Israel with such enormous quantities of weaponry is to establish it as an advanced case of racism and colonialism in the heart of the Arab and African World and the Third World and further considering that any aid or support to Israel is actually an encouragement and a participation in the consolidation of Israeli occupation and persistent aggression;**
  - 6. REAFFIRMS once more its resolution CM/Res. 20 of the Eighth Extra-Ordinary Session;**
  - 7. INVITES all African States to extend all possible potentialities available in the African World to the Arab confrontation powers so as to reinforce their struggle against the Zionist aggression;**
  - 8. CALLS UPON all OAU Member States to take the most appropriate measures to intensify pressures exercised against ISRAEL at the UN and other Institutions, including the possibility of eventually depriving it of its status as member of these Institutions.**
  - 9. CONSIDERS Zionism a danger to world peace, and decides to organize an information campaign in which all African information media participate to unmask the racist aggressive nature of the Zionist entity in a continuous and planned manner, and to confront and refute all Zionist misleading propaganda campaign aimed at arousing hostility against both the Arab and African Worlds;**
  - 10. REQUEST the OAU Administrative Secretary-General to closely follow up developments in the Middle East and to report thereon to the 26<sup>th</sup> Session of the Council of Ministers and decides to keep the situation in the Middle East as one of the agenda of the next Session of the OAU Council of Ministers.**

**RESOLUTION OF THE QUESTION OF PALESTINE**

The Assembly of Heads of State and Government of the Organization of African Unity, meeting in its Twelfth Ordinary Session from 28 July to 1<sup>st</sup> August 1975 in Kampala,

**Recalling** the resolution adopted by the OAU Council of Ministers at its Twenty Fourth Ordinary Session held in Addis Ababa from February 13– 21 1975,

**Guided** by the principles and provisions of the Charter of the OAU and the UN, and noting with appreciation the heroic sacrifices of the Palestine people in the face of the Zionist aggression for the liberation of Palestine,

**Having studied** the developments of the Palestine cause and the grave situation arising from the continued occupation by Israel of Arab territories, its usurpation of the legitimate rights of the Palestine people, its refusal to abide by the United Nations resolutions in this respect, particularly United Nations General Assembly Resolution No. 3236 adopted at its 29<sup>th</sup> Session, its denial of the national rights of the Palestine people in Palestine, including their return to their homeland, their right to recover their property and to self-determination without any foreign intervention, and having likewise condemned the continued Israeli usurpation of Palestine and the dispersal of its people,

**Considering** that this situation constitutes a flagrant violation of the United Nations Charter and Resolutions as well as of the Universal Declaration of Human Rights, and that its continuation represents a grave threat to international peace and security,

**Considering** that the Palestinian question is the root cause of the struggle against the Zionist enemy,

**Reasserting** the legality of the struggle of the Palestine people for the restoration of their full national rights,

**Considering** that the racist regime in occupied Palestine and the racist regimes in Zimbabwe and South Africa have a common imperialist origin, forming a whole and

having the same racist structure and being organically linked in their policy aimed at repression of the dignity and integrity of the human being,

Expressing its conviction that the military, economic, political and moral support of Israel by a member of states, notably the U.S., enables it to persist in its policy of aggression and to further reinforce its usurpation of Palestine and its occupation of Arab territories,

Considering that maintaining relations with Israel in the political, economic, trade, communication and other domains assists it to reinforce its usurpation of Palestine and to persist in its expansionist policy of aggression,

Considering that the continuation of the membership of Israel in the United Nations contradicts the principles and Charter of the United Nations and encourages Israel to ignore UN resolutions and to collude with various racist, expansionist and aggressive regimes,

1. DECIDES:

- a) to provide full and effective support to the Palestine people in their legitimate struggle to restore their national rights, including:
  - Their right to return to their homeland, Palestine, and to recover their property,
  - Their right to self-determination without any foreign intervention,
  - Their right to sovereignty over their territory,
  - Their right to establish their independent national authority.
- b) To work in all domains to concretise recognition of these rights and ensure respect for them, The Member States of the OAU also undertake to adopt all appropriate measures towards that end;

- c) that the OAU Liberation Committee and the Palestine Liberation Organization should jointly lay down a strategy aiming at liberating Palestine, considering that the cause of Palestine is an African cause;
2. **CALLS** upon all Member States to support the people of Palestine by every means in its Struggle against Zionist racist colonialism to restore their full national rights. Member States, moreover, assert that restitution of their rights is an essential condition for the establishment of a just and lasting peace in the Middle East;
  3. **CALLS** upon the United Nations to work for the application of Resolution 3236 adopted by the General Assembly at its 29<sup>th</sup> Session;
  4. **REASSERTS** that the Palestine Liberation Organization is the sole legal representative of the Palestine people and their legitimate struggle;
  5. **REQUESTS** Member States to implement the pertinent resolutions of previous OAU Summits and Foreign Ministers Conferences on the Palestinian Cause as soon as possible;
  6. **REITERATES** that it is desirable, in order to ensure the success of the PLO in its struggle to concretize the future of the Palestinian People's State, to provide it with all facilities and opportunities to intensify its contact with the governments of Member States;
  7. **CONDEMNS** Israel's violation of human rights in the occupied Arab territories and its refusal to implement the Geneva Convention of 1949 on the protection of civilians in times of war, its policy of judaizing the physical and cultural aspects of the occupied territories and considers that such acts and behavior are war crimes and a challenge to mankind at large;
  8. **CONSIDERS** that all the measures adopted by Israel in the occupied Arab territories and designed to alter their demographic, geographical, social, cultural

**and economic aspects – including those aiming at judaizing the Holy City of Jerusalem are null and void and that under no circumstances can these measures or their consequences be recognized;**

- 9. CONDEMNS all States that provide military, economic and human support to Israel, and calls upon them to desist from doing so forthwith;**
- 10. CALLS UPON all countries that have not yet done so, to sever political, cultural and economic relations with Israel;**
- 11. CALLS UPON all OAU Member States to take all appropriate measures to intensify pressure against Israel at the United Nations and the other Agencies, including the possibility of eventually depriving it of its status as a Member of these Agencies;**
- 12. DECIDES to inscribe the item of the “Question of Palestine” on the Agenda of the 26<sup>th</sup> Session of the Council;**
- 13. REQUESTS the Secretary-General to submit a report on the developments of the question of the question of Palestine to the next Session.**
